DATE: 17 June 2016

TIME: 1:00 PM

ATTENDEES: 56 Students + 10 Faculty

SEMINAR CO-ORDINATORS: Ar. Rujuta Pathak and Ar. Priyanka Dumane

Dr Ravindra Deshmukh is the Director of the Institute of Architecture and Planning at Mangalayatan University. Prior to joining Mangalayatan he served in Pune as Professor with Bhanuben Nanavati College of Architecture for Women (BNCA) and also as Director with Symbiosis School of Planning and Architecture (SSPA). He was with Manipal University in Karnataka as the Dean, School of Architecture.

He has published many articles and research papers. He worked at CBRI, Roorkee, BHEL Hardwar and Hyderabad and designed a number of buildings. He has over 44 years of experience in teaching, research and practice. He earned his B. Arch from VNIT Nagpur, M. Arch. from IIT Roorkee and PhD from Manipal University. He is recipient of Fulbright Fellowship, ISTE National Visiting Professorship and got citation for his achievements from The Indian Institute of Architects Pune Centre in 2012

OBJECTIVE:

- To get a glimpse of the ancient treasure and understanding the importance of heritage structures in today's architecture.
- To develop a sense of belonging among the students and encourage them to take care of their heritage.
- Interaction with students regarding heritage structures in the world.

OUTCOME:

- Students have learned the importance of heritage structures which refers to the cultural and architectural aspects like heritage sites, monuments, folklore, traditional activities, practices, and language, etc. that are considered vital to be preserved for future generations.
- Students learned certain social values, beliefs, religions and customs.
- It allowed them to understand the history of architecture in a different way.
- Students and faculty with interest in heritage research or conservation architecture were benefitted from this seminar.
