

**ACADEMIC YEAR 2019–2020**

**REPORT OF SEMINAR IN ASSOCIATION WITH PCCOER**

**SUBJECT:** 1 Day seminar in association with PCCOER on “**All about IPR (Intellectual Property Rights)**”

**HONOURABLE SPEAKERS:** Prof. Dr. Harish U. Tiwari

**Date:** 1<sup>st</sup> August 2019

**Attendees:** 18 Faculties + 9 students

**Program Co-ordinator:** Ar. Shirish Morey and Ar. Apoorva Gadgil-Gijare

**OBJECTIVE:**

To get an in-depth knowledge about what and how to write a research paper and as an author of your paper what are your rights and duties.

**EVENT BRIEF:**

Dr. Harish U. Tiwari is Principal of Pimpri Chinchwad College of Engineering and Research (PCCOE&R). With 25 years teaching experience he has filed 39 patents, 15 international papers, 5 copyrights. He has an expertise in working in the field of research and innovation, and have been awarded by 3 national level awards till date. He has developed 3 new products and has motivated more than 350 plus innovators for filing patents. His research area is thermal engineering and Refrigeration and new product development.

This workshop was in co-ordination with PCCOER and was attended by our faculty mostly who are guides for research and thesis. Few students who had completed a benchmark in their thesis research were allowed to attend the seminar.

The speaker briefed the attendees on how to write a research paper. Later at length he talked about the IPR for any research paper, its objectives, consequences and procedure.

**OUTCOME:**

The faculty was overwhelmed by the knowledge gained from Prof. Dr. Harish U. Tiwari and was motivated to work on research activities related to architectural field. Students attending the workshop got an insight of what are the things related to writing a research paper.
